PARTICIPANTS			
Approx. number of:	Craft	People	
Inexperienced/unknown	Number		
<u>Safety Boats:</u>	Colour of boat.	Driver.	Crew.
No.1 (All cruises)			
No.2 (Down+O-t-sea)			
No.3			
Return TIME to SYC (BST)	Estimated	Actual	

Radios

If only 1 safety boat, driver must have hand-held radio on his person.
 Additional radios to two other boats.

Risk Assessment with Emphasis on Safety (Be cautious in your assessment.)

The Cruise can proceed Yes / No

Any changes or modifications:

Afterwards: Feedback/Review

Were the club’s resources (safety craft, radios, shoreside facilities, personnel) adequate?.....

Was personal safety compromised at any time? If so, how?.....

What can we learn today?.....

Have safety boats been refuelled ready for next user?.....

Any other action points (e.g. damage)
