

Hire Boat Disinfection

To be done before and after hiring a boat

Protective aprons, cleaner and disinfectant can be found in the Members' Room porch. Please return when you have finished using.

CAUTION DISINFECTANT CONTAINS BLEACH AND MAY MARK CLOTHES IF SPLASHED

- With branded cleaner and blue paper wipe down sides and surfaces above waterline likely to be touched by hand during the course of sailing the boat.

Then

- With spray disinfectant (1000 ppm chlorine) and blue paper, wipe down sides and surfaces above waterline likely to be touched by hand during the course of sailing the boat.
- Dispose of used items in red bin and return materials to rack
